ABOUT ME

I have played golf since the age of 12 and have worked in the sport for 30 years.

As a youth member I personally found the sport to be a safe and enjoyable environment to meet with similar aged golfers and also, as you become more competitive, to play with the full members of the club.

Alternatively, you can speak
to someone at

ChildLine 0800 1111
NSPCC 0808 800 5000
